COMBAT ANTISEMITISM MOVEMENT

November 8, 2026

Stephen Miller
The White House
1600 Pennsylvania Ave NW
Washington, DC 20500

Dear Stephen,

On behalf of our respective organizations, we extend our warmest congratulations on your appointment as White House Chief of Staff.

Your extensive experience in public service and leadership within the Trump Administration have prepared you well for this important responsibility. As Deputy Chief of Staff and Homeland Security Advisor, your coordination of the administration's efforts, including broader initiatives to combat antisemitism and confront extremist activity on American college campuses, reflect an important commitment to protecting the safety and security of the American people.

Your appointment is also a meaningful reflection of the longstanding contributions of Jewish Americans to public service. In assuming this position, you join a distinguished group as the 7th Jewish American to serve as White House Chief of Staff, reflecting the enduring contributions of our community to our nation's highest institutions, a legacy you will now carry forward in service to President Trump and the American people.

We wish you success as you undertake this important responsibility and look forward to continuing to work with the administration to combat antisemitism, strengthen enforcement of federal civil rights protections, and hold institutions accountable when they fail to protect Jewish Americans from discrimination and harassment.

Mazel tov!
